As the newly elected AMBC President, I wish to firstly acknowledge the achievements, success and legacy of past President **Mike Anderson** and I am pleased that he will be an integral member of the Executive Committee in his role as Immediate Past President.

I am personally very pleased to be the new President of such a pro active Business Council that is acknowledged for its steadfast focus on delivering so many benefits to its members and supporting activities and initiatives that enhance bilateral trade and greater cultural awareness between Victoria and Malaysia.

I am also honoured to be a member and the President of the AMBC Victoria Executive Committee as they are all such a dedicated and hard working team of passionate, professional and committed individuals. I'm confident the year ahead will be filled with many successes and achievements for the Business Council.

Our business council has been very fortunate to have the support of Malaysian Consul General **Dr Mohamad Rameez Yahaya** and the **Department of Business & Innovation team in Victoria and Kuala Lumpur** – and on behalf of the Executive Committee I would like to extend our sincere appreciation for the enthusiastic support of our Business Council's activities and programs.

AMBC Victoria looks forward to a long and mutually productive relationship in the future.

My personal goals as AMBC Victoria President for the coming year will be to increase our base of financial members, sponsor supporters and revenue; plus lift the profile, brand and image of AMBC Victoria through greater use of marketing activities, events, communiqués and social media.

Another personal goal will be to promote the businesses, expertise and backgrounds of our individual members via the **AMBC Victoria Members Directory** – and in doing so assist them to market their businesses to a broader base of potential customers and commercial opportunities both in Victoria and overseas in Malaysia.

In closing, I would encourage you to continue to support the activities and programs of the AMBC Victoria and if you have friends and business associates that would benefit by being a member of the Business Council, please motivate them to do so.

Thank you once again and I look forward to welcoming you in person at the next AMBC Victoria function or event.

Kind regards

Joe Perri
President
